The art of therapy

Natural harmony

The art of therapy

Give your practice the look it deserves with gymna.ONE as its centre piece

gymna.ONE is not just a treatment table—it's a reflection of your unique style and professional aspirations. Embrace a piece that embodies your identity and elevates your practice.

Classic charm

Urban minimalism

gymna.ONE suits all styles

The organically shaped aluminium arms available in either bronze or silver, paired with the wooden base offered in either black or white they form the basis of gymna.ONE's unique design.

Driven by a desire for excellence, gymna.ONE combines sleek, elegant design with superior craftsmanship. More than functional, it's a coveted design piece that transforms any space into a gallery of modern functionality and beauty.

Already iconic

*Art encompasses more than paintings,
art is everywhere, think of all the iconic
designs around us. Your profession and
the way you take care of your patients
can even be seen as a form of art.*

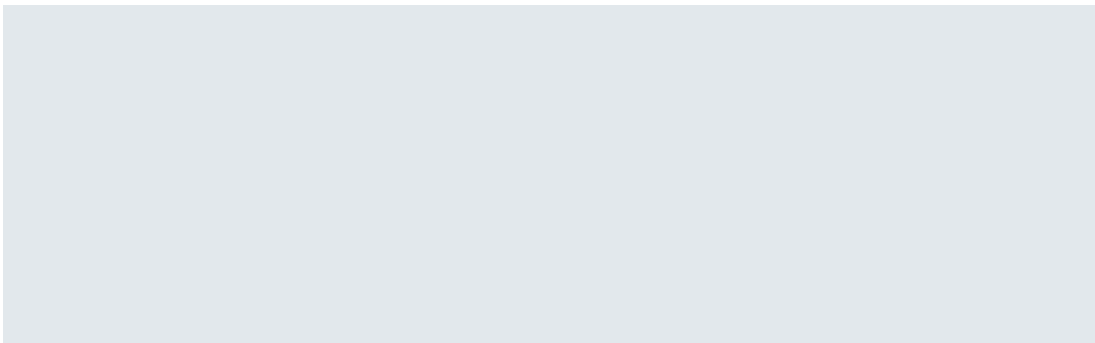

With the new gymna.ONE
we have created the
best and most beautiful
treatment table ever.

Merge your competence and
dedication with the iconic
gymna.ONE and bring the
art of therapy into being.
